

Rules of the Lists for West Kingdom Fencing

Fencing shall be conducted in accordance with the Fencing Marshals Handbook of the SCA, Inc. found at: <http://sca.org/officers/marshal/combat/rapier/index.html>

These further rules are established by the West Kingdom:

1. The Kingdom of the West only allows Rapier and Cut and Thrust Combat categories. (No Light Rapier.)
2. Tip and push cuts are permitted and must be at least 6 inches.
3. Rapier blade tips must have a metal object designed to spread impact either welded (as Hanwei) or inserted into the Blunt(washer) unless the blade fully occupies the space as in slotted Rapier specific Blunts.
4. Spears require a separate authorization.
 - 4.1. Fighters may choose to use a spear one handed or two handed during any hold. One handed fighters may not grab the weapon with their off hand except to switch between hands.
 - 4.2 Two handed swords that meet Society size and flex requirements are allowed.
