

## West Kingdom Jousting Authorization Continuing Education Component

Effective 11/1/2015:

- 1) Jousting Authorizations will be valid for not longer than 2 years. Please note your riding authorization will carry the same expiration date.
- 2) Jousters will be required to get together and practice two times per year to maintain their authorizations.
- 3) Failure to either make those practice dates or to obtain a waiver from the KEO for demonstrating equivalent experience, will result in loss of the authorization.
