Description:

Getting tired of watching wheat grow and having to pick them up one by one?

Wouldn't it be so much easier to have a self sustaining automated wheat farm that will grow and collect everything for you?

Have you seen a firework show in Minecraft looks and sound like the ones you see on New Years?

Here is the perfect book for you!

Minecraft: Guide to Amazing Redstone Devices will take you through step-by-step in creating devices

and contraptions that will make your life easier and more exciting in Minecraft. By following this guide, you will learn the concept and the logic on how to apply the use of Redstone to more extravagant structures.

Minecraft players should not be intimidated by the functional aspect of these devices. This guide has full illustrations alongside each step explaining thoroughly for players of all levels.

Minecraft: Guide to Amazing Redstone Devices includes:

- 1) Introduction
- 2) Timed Fireworks Show
- 3) Drawbridge
- 4) Tripwire Lava Concept Trap
- 5) Double Sliding Piston Door
- 6) Self Sustaining Wheat and Sugarcane Farm
- 7) Learn and Create

Everything you need to know is here in this guide. This is a must have for all Minecraft players!
