Description:

TOTALLY REVISED, UPDATED EDITION! Maggie Newberry is sheltered, privileged but also a whip-smart advertising copywriter who's fast on her feet and a little stunned to realize that she's 32 years old and still hasn't found "the one." When her long-missing sister ends up dead, Maggie flies to the south of France to find the little niece that no one in the family even knew existed. Along the way, she finds handsome Laurent Dernier, a sexy if nefarious Frenchman who it's not clear is there to help or hinder Maggie's search for the girl. Meanwhile, her sister's murderer sets his sights on the little girl--and Maggie.
