Description:

About the Author William Shakespeare was born on April 1564 in the town of Stratford-upon-Avon, on England's Avon River. When he was eighteen, he married Anne Hathaway. The couple had three children—their older daughter, Susanna, and the twins, Judith and Hamnet. Hamnet, Shakespeare's only son, died in childhood.

The bulk of Shakespeare's working life was spent, not in Stratford, but in the theater world of

London, where he established himself professionally by the early 1590s. He had a successful career in London as a playwright and actor and was a shareholder in the acting company the Lord Chamberlain's Men, later known as the King's Men. He produced most of his plays between 1589 and 1613. Sometime between 1610 and 1613, Shakespeare is thought to have retired from the stage and returned home to Stratford, where he died in 1616.
